

# VIRGEN WUWUNGAN

JUNIOR FRONT-END WEB DEVELOPER

Address :

**Sleman, Yogyakarta 55282**

I am Virgen Wuwungan Bachelor of Economics from Sanata Dharma University in 2023. Last activity currently active as a job seeker and during my final years of college I further explored HTML and CSS as well as programming languages like javascript and react js. I have an interest in a career front-end web developer and want to reach the full-stack developer stage.
